Sayers Croft

Young Persons Kit List

Sayers Croft will supply you with bedding, safety and educational equipment for your specific activities. Below is a general list of the kind of stuff you will need to think about bringing. Make sure you have your name on all things that belong to you and you can carry your bag as you will need to carry it to your chalet:

- Lots of old clothes - you will definitely end up getting a bit mucky so don't bring anything too precious.
- Wash kit - including a towel, soap, toothbrush and toothpaste and brush/comb
- At least two pairs of old trainers / boots (plus an additional pair if you are raft building)
- Wellies (but don't buy them especially as we can lend you some if you need them)
- Waterproofs (we can lend you these if needed) - and just because it's summer doesn't mean it won't rain!
- Personal medication (including sunscreen if required)
- Indoor footwear
- Night clothes
- Hat (appropriate for the weather) and gloves
- Teddy bear / soft toy

The following things are extra stuff that you might need to consider bringing depending on what activities are included in your programme and the time of year you are visiting.

- Swimming costume (summer only)
- Torch
- Disco Clothes
- Pocket money
- Small rucksack
- Camera
- Drinks Bottle
- Reading book
- Hair bands (if you have long hair)
